Prior to submitting appeals, students are encouraged to read the Code of Conduct, which contains
detailed information regarding the appeals process. The Code of Conduct is available online at
http://www.conduct.uga.edu and you may pick up a hard copy in the Office of Student Conduct.

All appeals must be in writing and submitted to the Office of the President within five
(5) University business days of receipt of the decision from the Vice President for
Student Affairs. Students neither meet with nor make oral presentations to the appellant
officer. The appeal shall consist of a review of the record only, other than in the case
of the availability of new information not known or knowable to the student or organization
appealing during the time of the hearing.

The purpose of appeal procedures is to provide the student with the opportunity to bring forward
questions regarding substantive or procedural errors that occurred during the process. The
appeal process is not intended to grant a new hearing at a higher level. Dissatisfaction with a
decision is not grounds for an appeal.

Appeals must be based on one or more of the following grounds: (1) to consider new
information, sufficient to alter the decision, or other relevant facts not brought out in the original
hearing, because such information was not known or knowable to the person appealing during
the time of the hearing; (2) to allege a procedural error within the hearing process that may have
substantially impacted the fairness of the hearing, including but not limited to whether any
hearing questions were improperly excluded or whether the decision was tainted by bias; or (3)
to allege that the finding was inconsistent with the weight of the information.
All grounds for appeal, as well as supporting facts and arguments, must be contained in the appeal as outlined below. Students may attach additional sheets of information as necessary.

Please indicate the basis for your appeal by checking the appropriate box(s) below and providing an explanation of the issue(s) and how the issue(s) affected your formal hearing. Please also state what outcome you desire from the appeal. You may appeal for more than one reason.
