

### I. INTRODUCTION

The Office of Student Conduct (OSC) is responsible for reviewing alleged violations of the Code of Conduct (Code) and for coordinating the conduct process. Summary statistical reports are generated for public review. ***This report reflects data for the time period of May 13, 2025 – May 11, 2026 (2025-2026).*** Please note that the Office of the Vice President for Instruction handles all cases involving alleged violations of Conduct Regulation 1 (Academic Dishonesty). The University’s Equal Opportunity Office (EEO) is responsible for addressing alleged violations of Conduct Regulation 3.11 by administering and enforcing the University’s Non-Discrimination and Anti-Harassment (NDAH) Policy. In addition, the EEO processes and investigates any alleged violations of Conduct Regulation 3.4. This report does not capture statistics related to referrals or resolutions of cases regarding Conduct Regulation 1, 3.4, or 3.11, and inquiries regarding statistics for those regulations should be directed to the respective office identified above.

### II. CONDUCT CASE REFERRALS

The OSC receives referrals for conduct action from a variety of sources. Referrals with sufficient information to indicate a potential violation of the Code are assigned to an administrative officer for further review and eventual resolution.

### III. CONDUCT CASE RESOLUTIONS

Conduct cases are not necessarily resolved in the semester in which they were referred to the OSC. ***Statistics in the remaining portion of this report reflect data for cases that were resolved during 2025-2026, regardless of when they were referred (i.e. some cases were referred before May 13, 2025).***

Cases referred to the OSC are resolved through one of following options. The OSC may find that there is not enough information to indicate that a student or student organization (respondent) has violated the Code, resulting in *no action* being taken. Cases are resolved through an *informal resolution* when a respondent accepts responsibility for violating the Code and agrees with the sanctions resulting from the violation. If a respondent disputes that a violation of conduct regulations has taken place, rejects the informal resolution, or does not agree with the sanctions resulting from the informal resolution, the case is resolved through a *formal resolution*. Additionally, when a referral indicates allegations that are addressed using the University’s Responsible Action Protocol (RAP), cases may be resolved in that manner. For more information about the resolution of a conduct case, please refer to the Code.
